Members of the Common Council

Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment.

1. Bill No. Z-75-11-14
2. From "R1" to "R2"
3. Plan Commission Recommendation: Withdrawal

This rezoning ordinance was submitted as a result of a previous petition (see Bill No. Z-75-08-14). The previous ordinance was for the rezoning of 15 individual lots located in the Rolling Green Addition, to be rezoned from "R1" to "R2". The Commission felt that the entire area bounded by Oxford Street on the north, Eastrowe Street on the east, Wayne Trace on the west, and Rudisill Blvd. on the south, should be rezoned to "R2".

Following a public hearing, the newly formed neighborhood association stated they were not opposed to the rezoning of the 15 individual lots to be used for housing for the elderly, but because of the small lots in the addition, narrow and poorly constructed streets and future congestion, they would be opposed to the entire area being rezoning.

The Commission felt because of the newly formed association's reasoning and because of their concern in keeping the neighborhood basically one family residential, they would recommend withdrawal of this petition and recommend a "DO PASS" for the original petition. (Bill No. Z-75-08-14).

Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission at their regular meeting held December 22, 1975. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved.

1. Bill No. Z-75-08-14
2. Intended Use: Construction of duplex homes for housing for the elderly.
3. From "R1" to "R2"
4. Plan Commission Recommendation: DO PASS

This ordinance received a DO PASS recommendation for the following reason:

This ordinance was heard at the public hearing held September 15, 1975. The Commission, at that time, felt the entire Rolling Green Addition should be rezoned to "R2". An ordinance was introduced, by the City Plan Commission, for the rezoning of the area bounded by Oxford Street on the North, Eastrowe Street on the east, Wayne Trace on the west, and Rudisill Blvd. on the south, from "R1" to "R2". This public hearing was held on December 15, 1975. At that meeting, the newly formed neighborhood association stated they were not opposed to the rezoning of the individual lots, but were very much opposed to the rezoning of the entire area.

Following this public hearing, the City Plan Commission voted to withdraw the petition for the rezoning of the entire area (See Bill No. Z-75-11-14), and to recommend a DO PASS recommendation for Bill No. Z-75-08-14.

1. Bill No. Z-75-10-16
2. From "R1" to "R3"
3. Intended use: Expansion of an insurance office - legal non-conforming use.
4. Plan Commission Recommendation: DO PASS

This ordinance received a DO PASS recommendation for the following reason:

The Site Committee and the Plan Commission feels the approval of this petition is in the best interest of the City and the Oxford-Weisser Park Neighborhood. The insurance office, by the granting of this appeal, will be allowed expansion which will permit K & K Insurance to remain in the neighborhood and eliminate the possibility of this building being abandoned, thus causing an adverse effect on the neighborhood.

Dear Mayor Armstrong:

We have learned that you propose to disregard General Ordinance No. 29-75 in force and effect since December 16, 1975. It is distressing to learn this indirectly through the news media.

Discussion and debate on this Ordinance started in early December, 1975. Input has been received from the Fire Department and the Fort Wayne Professional Firefighters Association. After much deliberation, it was passed by the Common Council on December 9, 1975.

The entire purpose of above ordinance is to establish a Merit Plan for promotions in the Fire Department of Fort Wayne and to provide a procedure for hearings on demotions of Fire Department personnel. Section 14 of said Ordinance provides for appointment of a committee to be known as "The Fire Department Merit System Committee." We have done our part by appointment of three members of the Common Council to that Committee.

Accordingly, we have to advise you that we consider your action a breach of the law. We hope you will see fit to reconsider said action. If not, the Common Council will take whatever steps it

VETO MESSAGE

I, Robert E. Armstrong, Mayor of the City of Fort Wayne, hereby veto Resolution R-01-76 for the following reasons:

The Resolution asserts that the City Administration will conduct itself contrary to State law, and is, therefore, incorrect.

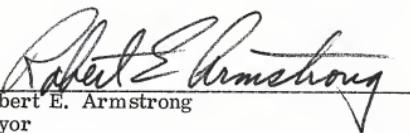

The proposed Resolution was distributed to some members of the City Council at the inauguration ceremony January 1, 1976 - prior in time to any official act by the new Administration. Indeed, at a specially-called meeting that night, January 1, 1976, the Resolution was passed. This I believe to be an act of bad faith toward an administration that had not taken a single official act other than being sworn into office.

The Resolution calls for sending names of those persons from the prior Administration not being retained by the new Administration. As you know by now, once the official termination took place, the communication of such action from me to the Council was submitted. I note with interest that my City Attorney had advised me that such a communication was required by State law and, in fact, the letter had been prepared to the Common Council and was merely awaiting the official transaction. Since obviously I could not replace the old Administration prior to my becoming Mayor, I could not officially communicate any such actions with the Common Council. Apparently, some previous Mayors had not followed the procedure of notifying the Common Council of the replacement, although at all times it has been my intention to do so, and I have in fact done so.

Your request that the City Comptroller and the Payroll Department maintain all former Administration officials on the city payroll is denied. The idea of keeping people on the city payroll from a former Administration for services that will not be performed is an idea that is repugnant to me and I believe to the citizens of the City of Fort Wayne.

Signed this 9th day of January, 1976.

Robert E. Armstrong
Mayor

FORT WAYNE, INDIANA 46802

January 12, 1976

MESSAGE TO THE COMMON COUNCIL:

Your letter of January 6, 1976, to me indicates that the entire purpose of General Ordinance #29-75 is to establish a merit plan for promotions in the Fire Department, and to provide a procedure for hearings on demotions. I cannot help but observe that when the Ordinance was first introduced last month that it was devoid of any discussion of a merit plan and simply provided for the freezing in of all fire fighters in the rank they then held. The sections which were subsequently added providing for a committee to study a merit system are indeed commendable, and I have, in accordance with those provisions, appointed Al Hepler as my one representative on that committee.

The sections of the Ordinance that attempt to usurp the power of the Executive Branch to operate the Fire Department are contrary to State law, and, in my opinion, establish a very dangerous procedure without a laudable motive. Being unable to promote fire fighters and fill vacancies in the officer ranks would have the effect of making the Fire Department inoperable. This would be a great detriment to the health and safety of the citizens of Fort Wayne. I will not permit that to happen.

I note that one of the Council members has been quoted as saying, "There is always a testing of power between the legislative and the executive branches". If the test concerns who can be the most political, then certainly the Common Council will win; if the test is who can interfere and exert power and force over the other, you will surely win; but if the test is which branch of government can cooperate the most with the other for the accomplishment of the goals

and needs of the citizens of Fort Wayne, then it is that challenge and that test to which I am called, and the citizens of our city will be the winners.

The State law establishing a merit system for the Fort Wayne Police Department was to have been implemented in June of 1972, but was not implemented until the first day of my administration. I shall work with you, the Fire Department Merit System Committee, and the State Legislature for enactment of a merit system for the Fire Department.

Sincerely,

Robert E. Armstrong
Mayor

TO MEMBERS OF THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

On January 9, 1976, Mayor Robert E. Armstrong sent his written message vetoing Resolution R-01-76.

It is the purpose of this communication from your Clerk to properly state for the record the following:

By written communication dated January 1, 1976, to me as Clerk, the Mayor advised that he had removed Howard Watters, Charles Belch, Edward Kamnikar and Robert Howard as members of the Board of Aviation.

By written communication dated January 2, 1976, to me as Clerk, the Mayor advised "as of January 1, 1976" he had removed a number of former appointees.
